# WHY MALAGA

The most all-round tourist destination in Europe, Malaga, has 24 well kept beaches and is blessed with a climate that allows one to bathe in the sea almost all year around. The average temperature of the water is 18 °C. There are beaches from Nerja to Sotogrande with clear water and clean sand, modern beach-bars and good sanitary facilities, sun beds, first-aid posts and beach patrols.

Weather: The coast's weather, with an average of 325 sun filled days a year, is the best in Europe and makes the enjoyment of sports, travel and outdoor activities a way of life! While in the winter months the temperature reaches 16 - 19° C (ca. 60 °F), spring and autumn have ideal weather with temperatures from 20 - 23° C (ca. 70 °F) and summer days reach from 27-30 °C (85 °F). Here you have an average of temperatures from 1971-2000.and open spaces.

# DINNER AT WINE MUSEUM

This is the biggest Vinotec in Andalucia... It is located in the city centre in an emblematic building from XVIII century with a wonderful Patio where they offer traditional spanish and andalusian dishes.

The original structure of the building that houses the Museum of Wine Malaga, known as the Palace of Biedmas of the 18th century, has been restored thanks to the funding of the Council of Andalusia and the City Council of Malaga.

April - October

# ACTIVITIES

# MALAGA WITH PICASSO MUSEUM

The Palacio de los Condes de Buenavista will be the home of Picasso's Museum. A historical monument, which shows the typical Andalusian architecture of the XVI century, with a mixture of Renaissance and Moorish elements.

Picasso's dream of having his own museum in his home-town, emphasizes the origin and Andalusian character of the brilliant artist, and restores his cosmopolitan production back to his Andalusian territory, where the innovator spirit of the best artist of the XX century can be admired.

# MARBELLA BIKE TOUR

We will explore the most beautiful and interesting places. A labyrinth of narrow streets and tiny squares surround the Orange square and the majestic main church "Iglesia de la Encarnación" where bougainvillea's and geraniums add their colourful counterpoint to blazing white lime washed facades and the noble ocre of the worn stones of the once powerful Moslem castle.

Some of the highlights of this tour are, the historic city center, the fishing port, the beautiful squares and even part of the modern area of the town. The knowledge of our guides ensures that you will learn a lot about the history and culture of Marbella and everything that the city has to offer.

The activity will be finished at the same place where it started.

# MIJAS + WINE TASTING

Its narrow streets and whitewashed houses with iron window grills are typical of the area and there are many shops offering local arts and crafts.

Mijas Wine Museum is a lovely old building dating 1839, known in the village as “The house of light” as the first transformers for the supply of electricity in the town were here, and it is situated in one of the most photographed streets of Spain. Fully restored in 2004, the result is a typical andalusian house of more than 300sqm with a brick façade. We offer a Spanish wine tasting .

# RONDA WITH BULLFIGHTING ARENA

The town of Ronda, one of the oldest in Europe and built on a magnificent natural amphitheatre in the middle of the “Serranía de Ronda”, a vast circle of mountains, has diverse and often contradictory origins.

Ronda is also known as "the cradle of bullfighting"; Francisco Romero who was born here in 1698 laid down the first rules for the bullfighter's art.
