Cancellations & postponements of confirmed safaris are only effective on receipt of a written notification, whereupon the deposit is forfeited. In the event of the cancellation or postponement of a confirmed safari, you will immediately become liable for a percentage of the full safari cost, as set out below:

- Confirmed safaris cancelled 60+ days prior to arrival – full deposit is forfeited
- Confirmed safaris cancelled under 60 days prior to arrival – 50% of full safari cost is payable
- Confirmed safaris cancelled less than 30 days prior to arrival – 100% of full safari cost is payable

Should you or your clients fail to join the safari or join it after the departure date, no refund can be made.

It is your responsibility to ensure that all clients traveling with Nomad Tanzania obtain full travel insurance valid from the date of confirmation of the safari, including cover against cancellation charges.

3. GROUND HANDLING WAIVER

In the event of any cancellations, change or delay to client ground handling arrangements by any of our suppliers [including flights, transfers and accommodation bookings], Nomad Tanzania will make every effort to assist clients with rearrangements in the field to minimize disruption to client itineraries. It must, however, be expressly understood that any costs incurred by Nomad Tanzania in this regard, will be passed directly onto the client or agent. This includes any missed connections, the return of lost luggage to clients, as well as any requested changes to the itinerary made after the safari has started. Nomad Tanzania is not responsible for any travel arrangements made directly by the agent or the client involving any supplier of any services, other than bookings made through Nomad Tanzania itself.

4. REFUNDS

Whilst the company strives to ensure that all anticipated accommodation is available as planned, there can be no claim whatsoever against the company for a refund either in part or whole, if any accommodation or excursion is unavailable or the client was unable to use that service, for whatever reason.

5. BAGGAGE

Passengers are limited to soft bags and with a maximum total weight of 15kgs. Limitations are strictly adhered to on all flights within Tanzania, and Regional flights to other East African countries. This limitation includes hand baggage.

6. RISKS

Nomad Tanzania specifically draws your attention to the fact that there are certain inherent risks involved in participating in the type of safaris sold and operated by the Company and that, by making payment for all or part of the safari cost, you and your clients are thereby accepting responsibility for these entirely at your and their own risk.

Neither the Company, its employees, suppliers nor agents can be held responsible for any accident, injury, illness or death sustained during the course of the safari, whether or not this accident, injury, illness or death is deemed to be caused through negligence on the part of the Company, its employees, suppliers or agents.

Nomad Tanzania does not accept responsibility for any theft or loss of personal belongings that occurs while clients are staying either at a camp booked by Nomad Tanzania or on any service provided by Nomad Tanzania or through any service booked by Nomad Tanzania and provided by a third party supplier. All clients are strongly advised to insure themselves and their property fully for the duration of the safari.

Emergency Evacuation Cover, purchased through AMREF [The Flying Doctors Society] is mandatory for all Nomad Tanzania itineraries and AMREF cover is automatically included in our costings. This is not a substitute for personal travel insurance and clients must also make their own arrangements for full insurance prior to travel.

Failure by agents to provide AMREF emergency evacuation cover for their clients may result in delays in medical evacuation while payment confirmation formalities are processed and this will increase the risk of medical complications.

Nomad Tanzania is not responsible for covering any costs incurred for medical treatment or any evacuation for clients while on safari, nor are we responsible for any complications which may result from a delay in arranging such medical evacuation.

7. TRAVEL DOCUMENTS AND HEALTH

The onus is on the guest to ensure that passports, visas, travel permits, health certificates, inoculations other documentation required for the trip are obtained and are in order. The Company, their Staff and Agents cannot be held responsible for any failure to comply with necessary requirements.

Health - guests should seek recommendations from their GP or local travel clinic regarding sensible medical precautions whilst travelling. It is essential that all guests are covered by a comprehensive travel insurance policy, from the moment their safari arrangements are confirmed.

Tanzania Travel advice - we strongly recommend that all guests seek the advice of their local foreign office/state department, regarding travel to Tanzania.

Cancellation charges will be applied if a confirmed trip is cancelled for this or any other reason.

8. FORCE MAJEURE

a) "Force Majeure" means, in relation to the Company, any circumstances beyond the reasonable control of the Company [including, but without limitation, war or threat of war, sabotage, civil disturbance, or requisition, acts of God, fire, accident, flood or explosion, sickness, quarantine, Government intervention, weather conditions or other untoward occurrences].

b) If the Company is affected by Force Majeure it shall as soon as practicable notify you of the nature and extent thereof.

c) The Company shall not be deemed to be in breach of these terms and conditions or otherwise be liable to you, by reason of delay in performance, or by non-performance of any of its obligations hereunder to the extent that any such delay or non-performance is due to any Force Majeure.

d) If the Company is affected by Force Majeure it shall be entitled to and may in its absolute and sole discretion, cancel or vary any arrangements or itinerary in relation to the safari. Payment of any refund by the Company as a result of the non-performance of any of the Company's obligations hereunder shall remain in its sole and absolute discretion although the Company shall use its reasonable endeavors to reimburse you where possible. However, the Company shall be entitled to deduct from any refund recoverable the reasonable actual and potential costs to the Company of the Force Majeure.

e) Regarding Civil unrest, once the Company has investigated the prevailing situation as it deems fit, it shall remain in the Company's sole and absolute discretion whether to proceed with the safari. You may in such circumstances cancel the trip. However, if, after having made all reasonable and proper inquiries, the Company is of the opinion that the trip may proceed, no refund will be payable to you and the provisions under refunds will apply.

9. SURCHARGES

Although the Company hopes that it will not have to levy surcharges, it reserves the right to do so on the invoiced amount should this become necessary due to increases forced upon us by any of our agents or suppliers as well as through exchange rate fluctuations, new government levies or taxes, changes in Park, Reserve, Conservation Area or Community fees. The Company will endeavor to notify you in writing as soon as it is aware of any likely surcharge. This surcharge will apply to all confirmed and invoiced safaris, regardless of whether payment has been received or not by Nomad Tanzania.

10. PHOTOGRAPHY

The Company reserves the right to make use of any photography or film taken on the safari by our staff for general publicity purposes without payment or permission from the client or tour operator.

11. AIRLINES

Carriage by the airlines concerned is subject to the terms and condition of the carrier with whom you are traveling and to international conventions. The Company has no control and accepts no liability whatsoever for cancellations or delays which are subject to operational decisions by the carriers. All flights are subcontracted to independent aviation Companies who are entirely responsible, and therefore liable, for all aspects of the flying operation.

All safari details are correct at the time of going to print. We cannot be held responsible for any changes or inaccuracies which may occur thereafter.
